43 CFR 3809 - Surface Management Plan

Complete Financial Guarantee Required

The Plan of Operation for the Coyote Knoll Mine is inadequately bonded. Your operation is located at T. 12 S., R., 6 W., Section 5 and assigned Bureau of Land Management (BLM) case file UTU 72898\_01. The Plan of Operation is serialized by the Utah Division of Oil, Gas and Mining (UDOGM) as S/023/086 and is currently bonded for five acres of disturbance for an open pit mine. On September 4, 2012, a minerals inspector for the BLM conservatively delineated your surface disturbance area as 11.6 acres.

Amount of Financial Guarantee – This office has previously reviewed the expanded Plan of Operation submitted with the transfer of operator, in consultation with UDOGM, and has determined that the obligated financial guarantee, or bond, of \$25,100 is adequate for only five acres. An additional financial guarantee amount must be submitted to UDOGM for an expanded operation. The estimate for reclamation of the currently disturbed area as agreed between BLM and UDOGM is \$75,000.00. The financial guarantee amount is hereby set at \$75,000.00 for reclamation of the current disturbance at the Coyote Knoll Mine.

Required Financial Guarantee – A financial guarantee totaling \$75,000.00 must be obligated and accepted by the Utah State Office of the BLM at Utah State Office, BLM, PO Box 45155, Salt Lake City, Utah 84145-0155 or 440 West 200 South, Salt Lake City, Utah 84101-1345. That office will issue you a decision as to the acceptability of your financial guarantee. The required financial guarantee must be accepted by October 1, 2012, or your operations will be suspended.

Appeal of the Decision Determining the Required Financial Guarantee Amount - If you do not agree and are adversely affected by this decision, in accordance with 43 CFR 3809.804, you may request that the Utah BLM State Director review this decision. If you request a State Director review, the request must be received in the Utah BLM State Office, P.O. Box 45155, Salt Lake City, Utah 84145-0155, no later than 30 calendar days after you receive this decision. A copy of the request must also be sent to this office. The request must be in accordance with the provisions provided in 43 CFR 3809.805. If a State Director review is requested, this decision will remain in effect while the State Director review is pending, unless a stay is granted by the State Director. Standards for obtaining a stay are given below. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

If the State Director does not make a decision concerning your request for review of this decision within 21 days of BLM's receipt of the request, you should consider the request declined and you may appeal this decision to the Interior Board of Land Appeals (IBLA). You may contact the Utah BLM State Office to determine when BLM receives the request for State Director Review. You have 30 days from the end of the 21 day period in which to file your notice of appeal with the IBLA (see procedures below).

If you wish to bypass a State Director review, this decision may be appealed directly to the IBLA in accordance with the regulations contained in 43 CFR, Part 4 and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in the FFO at 95 East 500 North, Fillmore, Utah 84631 within 30 days from receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

If you wish to file a petition pursuant to regulations 43 CFR 4.21 for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the IBLA, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of this notice of appeal and petition for a stay must also be submitted to each party named in the decision, to the IBLA, and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed with this office.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

1. The relative harm to the parties if the stay is granted or denied,
2. The likelihood of the appellants success on the merits,
3. The likelihood of immediate and irreparable harm if the stay is not granted, and
4. Whether the public interest favors granting the stay.

If you have any questions, please contact Duane Bays, Fillmore Field Office Natural Resource Specialist, at 435-743-3115, or Jerry Mansfield, Fillmore Field Office Geologist, at 435-743-3125.

Sincerely,

Michael D. Gates  
Field Manager
